

# Enjoy the Sounds of Summer!

Siemens, one of the world's leading manufacturers of hearing aids along with Stokes Hearing bring you the latest innovation in hearing aid technology.

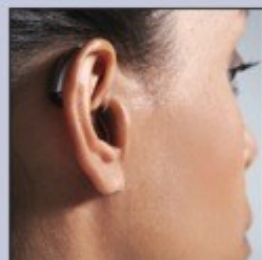

**Come in and experience some of the most advanced hearing instruments in the world from Siemens:**

## Rechargeable Hearing Aids

No worries about buying and handling batteries. Works all day on a single nights charge - an environmentally friendly option.

## Nearly Invisible

Tiny hearing instruments that fit in your ear or hide behind your ear - you may even forget you are wearing them.

## TV Listening Device

No more straining to hear your favourite TV shows and movies. Listen to your TV directly through your hearing aid like a stereo headset.

## Colorful Options

Wide range of colors to match your hair or your skin tone.
